Refund Policy

If a class is cancelled due to low enrollment, a full refund will be issued. If a student is withdrawn from an activity after the first class, a full refund minus a \$15 cancelation fee will be issued. After the second class, students withdrawn will receive a 50% refund. No refunds will be processed after the third class.

Fall 2019 After-School Activities

Elementary/Middle School

MONDAYS

- **Martial Arts (BK-5th) \$450**

Soo Bahk Do is a traditional Martial Arts program that helps improve confidence, increases focus, develops self-control and discipline. More than just learning to punch and kick, this class is a safe, fun environment where they can learn to make positive choices, get physically fit, and develop life skills that will last a lifetime. ***This is a two day a week class. It meets on Mondays and Wednesdays.***

- **Dance (BK-1st) \$245**

In case you needed a reason other than how cute they look in dance clothes, did you know dance can help your child with socialization skills, self-esteem, self-expression and, of course, overall health through activity? Lessons include instruction in ballet, tap, and tumbling.

- **Art (Ages 7 & up) \$300**

Join us for a semester full of art projects using all different mediums including acrylic paintings of your summer memory, a fall or Halloween 3D tree with lights, a Fauvist-style (very colorful) family portrait, blind contour drawing and watercolor, an Eric Carle-inspired Christmas project, and hopefully a few more fill-in projects!

TUESDAYS

- **Cooking with Corey (K-4th) \$365**

Cooking with Corey is designed to give students a love for cooking and the confidence to share that love with others. Students will learn about kitchen safety, basic and intermediate cooking, baking skills, hands on learning, and creative recipes. Corey Waters, our Campus Minister and former Chef De Cuisine, will creatively instruct his students in the culinary arts while learning to create culinary masterpieces from scratch!

- **Middle School Yoga (5th-8th) \$215**

This class for middle schoolers will focus on teaching students different yoga poses, increasing balance and core strength, as well as focusing on breathing and relaxation techniques.

WEDNESDAYS

- **Snapology: Creative Creatures (BK-2nd) \$220**

Snapology provides interactive robotics and coding programs for children, using LEGO® bricks. Students in our Robotics programs learn pseudo-coding, coding, robotics and engineering principles. Using fun topics and themes, such as animals, games, space and battle machines, we embrace children's interest and curiosity to guide them through robotics and engineering principles. Our programs provide the best mix of fun and education for your child. In fact, most kids have so much fun in our programs, they don't even realize how much they are learning.

- **Snapology: Robot Olympics (3rd-5th) \$220**

We are bringing a new, competitive edge to our Robotics programs, designed as a learning block towards future competitive leagues, like FIRST Lego® League. Students will still learn to program but with a competitive twist! Our young engineers will build and program robots to compete in sports themed challenges. Your child will learn both mechanical and computer programming concepts as they create robots that run races, play hockey, and much more. A great enhancement to our CCA Robotics Club.

- **Mad About Hula Hoops (1-5th) \$275**

Mad About Hoops students will learn tons of impressive tricks as well as fun hula hoop choreography. Each week, students will learn proper stretching techniques, challenge themselves with new hoop skills and play hula hoop inspired games. Students in our program get fit while having fun and building self-confidence. **Every student enrolled in Mad About Hoops will be invited to perform at a halftime show for a RICE UNIVERSITY football game in Fall 2019!**

THURSDAYS

- **Soccer Shots (Ages 5-8) \$220**

Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum, and communication.

FRIDAYS

- **Middle School Cooking with Corey (5th-8th) \$275**

Cooking with Corey is designed to give students a love for cooking and the confidence to share that love with others. Students will learn about kitchen safety, basic and intermediate cooking, baking skills, hands on learning, and creative recipes. Corey Waters our Campus Minister and former Chef De Cuisine will creatively instruct his students in the culinary while learning to create culinary masterpieces from scratch!

- **Yoga Fitness (BK-5th) \$185**

In our Yoga Fitness classes, we let the students get their energy out through exercises, agility ladders, hurdles, and team building activities. Then the second half of the class, we teach the students yoga poses, proper breathing, stretching, and relaxation techniques. Our Yoga Fitness class increases balance, coordination, core strength and posture, self-esteem, and flexibility!!

Preschool

MONDAYS

- **Dance (PK 3-4) \$245**

In case you needed a reason other than how cute they look in dance clothes, did you know dance can help your child with socialization skills, self-esteem, self-expression and, of course, overall health through activity? Lessons include instruction in ballet, tap, and tumbling.

- **Bible Stories with Pastor Corey (PK 2-4) \$200**

Students will learn and participate in the beloved stories of the Bible... Daniel and the Lion's Den, Joseph and his brothers, Creation, and more. These stories will be brought to life through engaging lessons, entertaining plays and videos.

TUESDAYS

- **Move and Groove Cardio Blast (PK 2-4) \$215**

This is a high energy, fun exercise class where boys and girls will learn cool, modern dances. It's a fast-paced high energy aerobic style exercise program. This program features music, aerobics, agility ladders, rhythmic ribbons, and more!! This class is a BLAST!!

WEDNESDAYS

- **Snapology: Jr. Scientists/All About Animals (PreK 3-4) \$205**

Snapology invites your little zoologists to analyze the differences between vertebrate and invertebrate, construct their way through the butterfly and frog life cycle, build reptiles, and examine the differences and similarities between insects and arachnids. But the fun doesn't just stop there! How about we turn back the time and visit some pre-historic creatures? In Discovering Dinosaurs, your little paleontologists will explore what dinosaurs ate and when they lived while constructing their very own dinosaur model. Your child will be too busy exploring the animal world to realize that they are gaining critical social, motor, and developmental skills.

THURSDAYS

- **Soccer Shots (Ages 3-4) \$220**

Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum, and communication.

FRIDAYS

- **Yoga (PreK 2-4) \$185**

Don't let the name fool you. In this fun class, preschoolers get their energy out through exercises, agility ladders, hurdles, and team building activities. The second half of the class, we teach the students yoga poses, proper breathing, stretching, and relaxation techniques. Our Yoga Fitness class increases balance, coordination, core strength and posture, self-esteem, and flexibility!!

REFUND POLICY

If a class is cancelled due to low enrollment, a full refund will be issued. If a student is withdrawn from an activity after the first class, a full refund minus a \$15 cancellation fee will be issued. After the second class, students withdrawn will receive a 50% refund. After the third class, no refunds will be processed.
