Kinderbots (PreK 3-BK) \$175

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time.

Guitar or piano lessons (1st-5th) \$330

Sessions Music's guitar and piano classes will focus on the student's unique desires, be it classical, modern or both! Through a small group setting with our skilled and accomplished instructors, as well as our unique Sessions curriculum focusing on students reading music and preparing to perform, students can begin a fun and exciting journey that will help them in realizing their musical dreams. Whatever your piano and guitar goals are, Sessions Music's group classes are the fastest and most fun way to learn!

Lil' Rockers (K-3rd) \$325

Lil' Rockers is for kids between the ages of 5 and 8 who possess a love of music and a desire to learn how to play the guitar, piano or drums or to sing, but who are not quite ready to start individual private lessons. This program is designed for two types of students: those who have no experience with any instrument, but have the interest, as well as those who may have some experience on guitar, piano/keyboards, drums or singing, but may need to build a more solid foundation before moving on with private lessons.

Yoga (PreK 2-4) \$185

Don't let the name fool you. In this fun class preschoolers get their energy out through exercises, agility ladders, hurdles, and team building activities. The second half of the class we teach the students yoga poses, proper breathing, stretching, and relaxation techniques. Our Yoga Fitness class increases balance, coordination, core strength and posture, self-esteem, and flexibility!!
